

## Industrial highbay luminaire from the TROLL family Astrea.

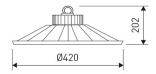

## DESCRIPTION

Industrial highbay luminaire from the TROLL family Astrea setting an advanced and innovative thermal balance system through passive dissipation with stable colour temperature of  $5000^\circ$  K (cold white) optimised to be used as general lighting of warehouses, supermarkets, exhibition pavilions and other indoor industrial areas. Designed for Ceiling suspended installation. Body built in die-cast aluminium and polycarbonate finished in grey. Luminaire is 1P65. Luminaire built-in an independent lens system for each led with an angle beam of  $120^\circ$ . Luminaire sets a 165 W LED source with CRI higher than 80 % and a chromatic dispersion lower than 3 SMCD. Fixture has a luminous flux of 20343 Lm, with an efficiency of 126,3 Lm/W and a total consumption of 161 W. The average life for the luminaire is 50000 h (stabilised at a minimum flux of 70 % from the original). Luminaire built-in an auxiliary gear Dimmable 1-10V fed at 220-240V; 50/60 Hz.
