Round format fix downlight from the TROLL family Optics Comfort.

DESCRIPTION

Round format fix downlight from the TROLL family Optics Comfort setting an advanced and innovative thermal balance system through passive dissipation with stable colour temperature of 3000° K (warm white) optimised to be used as general indoor lighting for offices, hospitals commercial areas or residential & contract spaces. Designed for ceiling recessed installation. Luminaire body built in synthetic material and aluminium heat-sink with finishes in white. Luminaire is IP20. Luminaire built-in an high efficiency reflector made of high vacuum aluminised polycarbonate with an angle beam of 80°. Luminaire sets a 20,4 W LED source with CRI higher than 80 % and a chromatic dispersion lower than 3 SMCD. Luminaire UGR<19. Fixture has a luminous flux of 2214 Lm, with an efficiency of 116,5 Lm/W and a total consumption of 19 W. The average life for the luminaire is 50000 h (stabilised at a minimum flux of 70 % from the original). Luminaire built-in an electronic control gear with emergency kit fed at 220-240V; 50/60 Hz.
