Small format fix downlight from the TROLL family Focus.

DESCRIPTION

Small format fix downlight from the TROLL family Focus setting an advanced and innovative thermal balance system through passive dissipation with stable colour temperature of 2700° K (extra-warm white) optimised to be used in hotels, residential spaces, offices or commercial areas where small format fixtures with hidden light sourcee eare required. Designed for ceiling recessed installation. Luminaire body made of synthetic material with die-cast aluminium heat-sink finished in white. Optical group is IP44 on the visible frontal area. Luminaire built-in a high efficiency reflector made of policarbonate aluminised in high vacuum with frontal diffuser and angle beam of 15°. Luminaire sets a 12,3 W LED source with CRI higher than 90 % and a chromatic dispersion lower than 3 SMCD. Luminaire UGR<19. Fixture has a luminous flux of 1109 Lm, with an efficiency of 76,5 Lm/W and a total consumption of 14,5 W. The average life for the luminaire is 50000 h (stabilised at a minimum flux of 70 % from the original). Luminaire built-in an auxiliary gear ON/OF fed at 220-240V; 50/60 Hz.
