

## Monobloc cylindrical spotlight from the TROLL family Spoty.

## DESCRIPTION

Monobloc cylindrical spotlight from the TROLL family Spoty setting an advanced and innovative thermal balance system through passive dissipation with stable colour temperature of 3000°K (Warm white) optimised to be used as general & accent lighting for commercial areas shop-windows and different indoor spaces. Designed for Installation on the TROLL triphasic track. Body built in extruded aluminium painted with high quality AXALTA coatings finished in white. Luminaire built-in an reflector made of high purity aluminium with an angle beam of 24°. Luminaire sets a 25 W LED source with CRI higher than 80 % and a chromatic dispersion lower than 3 SMCD. Luminaire sets a ball joint system which allows rotation 355° and tilting 90°. Fixture has a luminous flux of 2550 Lm, with an efficiency of 93 Lm/W and a total consumption of 27,3 W. The average life for the luminaire is  $50000\ h$  (stabilised at a minimum flux of  $70\ \%$  from the original). Luminaire built-in an 1-10V dimmable contol gear fed at 220-240V; 50/60 Hz.
