

## Decorative round sconce with indirect light from the Eclipse TROLL family.

### DESCRIPTION

Decorative round sconce with indirect light from the Eclipse TROLL family setting an advanced and innovative thermal balance system through passive dissipation with stable colour temperature of 3000° K (warm white) optimised to be used in passing areas, entrances, staircases or similar areas. Luminaire has been designed for wall surface mounting. Luminaire body made of aluminium finished in white. Luminaire sets a 9 W LED source with CRI higher than 85 % and a chromatic dispersion lower than 3 SMCD. Fixture has a luminous flux of 1030 Lm, with an efficiency of 93,6Lm/W and a total consumption of 111 W. The average life for the luminaire is 50000 h (established at a minimum flux of 70 % from the original). Luminaire built-in an auxiliary gear ON/OFF at 220-240V; 50/60 Hz.
