Big format architectural luminaire from the TROLL family Flying Surface.

DESCRIPTION

Big format architectural luminaire from the TROLL family Flying Surface setting an advanced and innovative thermal balance system through passive dissipation with stable colour temperature of 4000° K (neutral white) optimised to be used as general lighting of commercial or domestic areas, as well as contract spaces where aesthetic and design were a relevant requirement. Designed for wall or ceiling surface mounted. Luminaire body built in stainless steel with reflectors elements as enhancers finished in white. Luminaire built in an diffuser made of synthetic material plus textile with an angle beam of 110°. Luminaire sets a 180 W LED source with CRI higher than 80 % and a chromatic dispersion lower than 3 SMCD. Fixture has a luminous flux of 9600 Lm, with an efficiency of 40,0 Lm/W and a total consumption of 240 W. The average life for the luminaire is 50000 h (stabilised at a minimum flux of 70 % from the original). Luminaire built-in an auxiliary gear DALI dimmable fed at 220-240V; 50/60 Hz.

Item code	47/L1384DD/33
Product type	IN
Category	Architectural
Family	Flying Surface
Subfamily	Flying S. Led
Materials	Luminaire body built in stainless steel with reflectors elements as enhancers.
Optical system	Luminaire built-in a diffuser made of synthetic material plus textile.
Installation instructions	Luminaire designed for wall or ceiling surface mounted.

Product		
Real power (W)	240	
Real luminous flux (Lm)	9600	
Luminous efficiency (Lm/W)	40,0	
Beam angle (°)	106	
Life time (h)	50000	
IP .	20	
Electrical class insulation	Class 1	
Photobilological risk	0 - Exempt	
Operating temperature	from -20°C to 35°C	
Electrical feeding	220240V, 50/60Hz	
Colour	White	
Energy efficiency class	A	

Control gear	
Control gear included	Yes
Control gear	DALI Dimmable Electronic Control Gear
Factor de potencia	0,95
Light source	
Light source included	Yes
Light source	Led
Nominal power (W)	216
Nominal luminous flux (Lm)	20160
Colour temperature (K)	4000
Colour consistency (SDCM)	3

80
